Dear colleagues,

We would like to invite you to attend the International Conference for Students of Music Therapy that will take place in Poland, at the Karol Lipiński Academy of Music in Wrocław. The Conference will be held from 12th to 13th of March 2010.

This conference is a perfect place to share one's observations and experiences from the field of music therapy. Thus, you are most warmly encouraged to take an active part in the conference by giving a speech or organising a workshop. Owing to the conference, the representatives of different nations have an incredible chance to provide the audience with the information on how music therapy sessions are conducted in their own countries.

You could find all the information about the meeting in any of these sites:

We are looking forward to seeing you at the Conference.

With kindest regards,
Justyna Miłosz (Conference Coordinator)
